PSD industrial grinders - PSD 10 / 2800

KEF PSD 10 GRINDING MACHINE- designed for heavy-duty work!

With its solid construction and powerful motor, the PSD 10 double-ended grinder from KEF is the perfect grinding machine for those who are looking for a powerful grinder that is capable of handling typical tasks and at the same time helps maintain a healthy working environment by emitting low levels of mechanical and electrical noise. The spindle shafts are precisely placed in well-shielded dustproof ball bearings.

KEF PSD 10 comes complete with two grinding wheels in closed guards with large adjustable eye shields and heavy cast iron tool rests. The standard version is prepared for connection to an exhaust system that is available for purchase as extra equipment.

ACCESSORIES • Pedestal • Working table • Motor break • Exhaust – separate or built-in • Cyclone for collection of dust • Belt arm(s) • angle-adjustable grinding tool rest • Drill grinding attachment • Several voltage options • Polishing mops • Polishing paste • Grinding wheels • Steel wire brushes

*Notice: outdated picture - EMERGENCY STOP is no longer on the column but directly on the machine
