Drill grinding machine

 # 1533187

Drill Bit Grinders - PSD 5

KEF PSD 5 with drill grinding attachment

KEF drill grinding attachments are based on a well-proven grinding method which always results in flawless and accurately ground drill points.

KEF attachments are pre-set for grinding twist drills, for drilling in steel and iron, with point angle 116-118 degrees and clearance angle 6-8 degrees.

The simplified design ensures that a wide range of different drill sizes can be ground without complicated and time-consuming re-setting.

Therefore, also unskilled operators can obtain good results.

KEF MOTOR

Product Specification

Rpm	3000
Voltage	3x400V-50 Hz
Motor (Watt)	1100
Wheel size, Grinding wheel (ø mm)	200x38x20
Drill grinder (mm)	A 6-30
On pedestal with table and water cup	1
Length (mm)	890
Width (mm)	400
Height (mm)	520
Weight	52
